

I am very upset by Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary. This is a clear case of using their media power to influence the election. Sinclair has a responsibility to the public for it's right to use the airwaves. By making a decision centrally for all of their stations, Sinclair is flouting the local public's interest in real local news. They do not provide balanced coverage of political events. Media consolidation needs to stop.
